MINNESOTA BULLETIN NO. 360-4-32

SUBJECT: PER – CULTURAL RESOURCES TRAINING (SEPTEMBER 13-17, 2004)

Purpose. To transmit the Cultural Resources Modules 7 and 8 Training Roster, Agenda, and Location.

Expiration Date. September 30, 2004

To inform **participants that they need to complete Modules 1-6 on line (Cultural Resources Training Series 000141) before attending the training session for Modules 7 and 8.** To do this go to the National Cultural Resources Page at <http://www.nrcs.usda.gov/technical/cultural.html> and then click on Cultural Resources Training Series; scroll down to Enrollment Cultural Resources Part 1 and follow the directions under USDA Employees (requires use of I*CAMS ID and Password to log into NRCS eLearning Center).

Please bring a copy of Certificate of Completion for Modules 1-6 to the training session.

Two Cultural Resources Training Sessions for Modules 7 and 8 will be held September 13-15th, and 15-17th, at the Deep Portage Conservation Reserve (DPCR) located near Hackensack, in Cass County, Minnesota. The first session will begin with lunch at noon on Monday and conclude by noon on Wednesday. The second session will also begin with lunch, at noon on Wednesday, and conclude by noon on Friday. Participants are responsible for lunch on the day they depart the facility. See the attached Session 1 and 2 participant lists.

The DPCR is a unique facility with nearly 10 square miles of rolling hills, pristine lakes, and dense forests. Go to the DPCR web site at <http://www.deep-portage.org> for more information and for a location map giving directions to the Reserve.

Accommodations and arrangements for the NRCS training at DPCR are as follows:

1. Rooms and meals for NRCS personnel are being paid for by government purchase order. Meals will be served buffet style at the DPCR.
2. Everyone must bring his/her own bedding or sleeping bag and pillow, toiletries (including soap, shampoo, toothpaste, etc.) and towels.
3. Room assignments will be made after everyone has arrived and registered. There will be at least two people assigned to each room. Some larger rooms may accommodate more than two.
4. A variety of recreational facilities are available at the reserve including volleyball, canoeing, hiking, swimming, fishing, and 18 km of bike trails. The Reserve has canoes for us to use but you'll need to bring your own bike and fishing gear.
5. Dress is casual. There is a field trip planned so rain gear and bug repellent are recommended.

6. Vending machines are available at the DPCR but participants can bring their own snacks and ice chest for use in their assigned rooms or areas designated by DPCR.
7. Smoking is not allowed in any buildings or rooms at DPCR.

Please contact Pat McLoughlin, NRCS Cultural Resources Specialist, at 651-602-7907 if you have any questions concerning the training.
